

An aerial photograph of the Port Lincoln Leisure Centre. The building is a large, white, multi-winged structure with a flat roof. A large rectangular area on the left side of the roof is covered with solar panels. To the right of the main building, there is a smaller, grey-roofed structure. A yellow rectangular area is highlighted on the ground in front of the building, with a black arrow pointing from a yellow text box to it. A blue arrow points to the road below the building, labeled 'Jubilee Drive'. The surrounding area includes parking lots with several cars, trees, and a road that curves around the building.
