

DRAFT PORT LINCOLN MASTER PLAN

FACT SHEET

The City of Port Lincoln has released the Draft Port Lincoln Master Plan and is seeking your feedback.

Consultation on the Draft Master Plan is open from Thursday, 30 October 2025 until Thursday, 27 November 2025.

The Master Plan will guide future development and growth within the Council area over the next 30 years.

Preparation of the Master Plan has been informed by infrastructure and traffic investigations, along with early agency and community consultation.

The Master Plan outlines a series of Actions relating to the following Themes:

- Social and Community Infrastructure;
- Cultural and Built Heritage;
- Tourism;
- Residential;
- Employment and Commercial;
- Infrastructure; and
- Transport.

The Draft Master Plan and supporting investigations can be viewed on Council's online Engagement Hub: yoursay.portlincoln.sa.gov.au

The Master Plan identifies three Priority Areas for rezoning. The spatial Master Plan and Priority Areas can be found overleaf.

Have Your Say

Council would like to hear from you to understand your views on the Master Plan and Priority Areas. You can have your say by:

- **Attending a Community Drop-In Session** held at the Port Lincoln Library, 2 London Street, Port Lincoln, on:
 - Monday 10 November 2025 – 4.30pm to 6.30pm
 - Tuesday 11 November 2025 – 10.00am to 2.00pm
- **Making a written submission** by 10:00am on Thursday 27 November 2025 either via:
 - Online Engagement Hub yoursay.portlincoln.sa.gov.au [preferred]
 - Email to yoursay@plcc.sa.gov.au
 - Delivered in person at the Council Office, Level One, Civic Centre, 60 Tasman Terrace, Port Lincoln
 - Post to Attn: Chief Executive Officer, City of Port Lincoln, PO Box 1787, Port Lincoln SA 5606

Community feedback will help shape the final version of the Port Lincoln Master Plan before it is presented to Council for adoption. Following this process, Council will seek to rezone the identified priority areas, if there is support for these actions. Further opportunities for community input will occur at the rezoning stage.
